## Benefits of Using CHEMTREC

Calling CHEMTREC is the best way for customers to reach Covestro experts 24/7/365

- only one number to remember
- receive immediate assistance 24/7/365
- have access to the appropriate experts at Covestro, and not just those who handle transportation / distribution incidents

CHEMTREC Emergency Services Specialists have experience and an excellent reputation in handling incident calls

CHEMTREC has the ability to connect multiple parties to same call

CHEMTREC can provide assistance in locating emergency response contractor near location of incident (CHEMNET)

In an emergency situation, always follow your company's emergency response plan for notification of regulatory agencies, emergency personnel and your company's management personnel. For assistance from Covestro, please call CHEMTREC.

### **Potential Emergencies**

### Examples of when you might need assistance:

- Bulging drums
- Leaking packaging
- Product spill / release
- Cross-contamination
- Employee / driver exposure to product

The manner in which you use and the purpose to which you put and utilize our products, technical assistance and information (whether verbal, written or by way of production evaluations), including any suggested formulations and recommendations, are beyond our control. Therefore, it is imperative that you test our products, technical assistance and information to determine to your own satisfaction whether our products, technical assistance and information are suitable for your intended uses and applications. This application-specific analysis must at least include testing to determine suitability from a technical as well as health, safety, and environmental standpoint. Such testing has not necessarily been done by us.

Unless we otherwise agree in writing, all products are sold strictly pursuant to the terms of our standard conditions of sale which are available upon request. All information and technical assistance is given without warranty or guarantee and is subject to change without notice. It is expressly understood and agreed that you assume and hereby expressly release us from all liability, in tort, contract or otherwise, incurred in connection with the use of our products, technical assistance, and information. Any statement or recommendation not contained herein is unauthorized and shall not bind us. Nothing herein shall be construed as a recommendation to use any product in conflict with any claim of any patent relative to any material or its use. No license is implied or in fact granted under the claims of any patent.
