

# The ultimate uniform self-matting solution for flooring.

SP-2022 and SP-2024.

**Decovery® SP-2022** and **SP-2024** are self-matting, which means matting agents are not required to reduce gloss levels. These products are revolutionary and deliver uniform appearance throughout the coating.

Achieve the desired performance and gloss without the dust!

## Uniform & consistent appearance

**Decovery®** resins, SP-2022 and SP-2024, deliver a uniform consistency that enables homogenous gloss and stability – all in all delivering a solution that extends wear.

**SP-2022** is a uniformly matte resin that reaches less than 5% gloss.

**SP-2024** is a uniformly satin resin that reaches between 25 to 30% gloss.

### Superior scratch resistance and in-can stability

Delivers excellent scratch, stain and black heel mark resistance. Eliminates hard settlement which facilitates straight-forward formulating and makes application easier for your customers.

### Sustainable; 35% plant-based

High-performance, high-quality resins that reduce carbon footprint without sacrificing performance.

### Cost and time savings

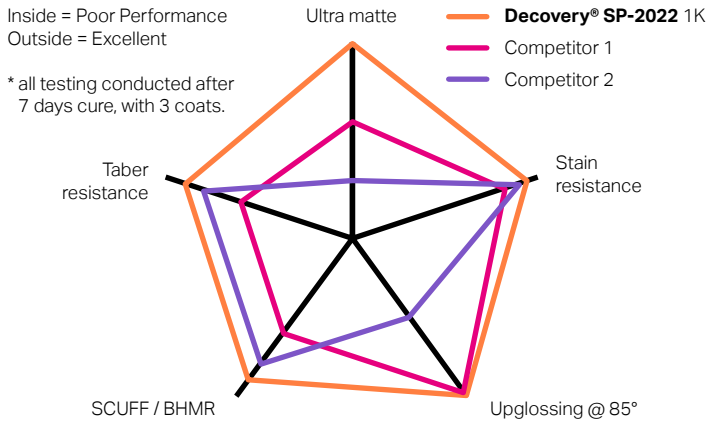

Elimination of matting agents results in a cleaner process and reduced production time, SP-2022 and SP-2024 achieve the desired outcome without the need for powder ingredients.

**7x better than 1k competitive products\***

\* Data on file; Covestro Competitive Benchmark Evaluation, February 2020, and NWFA primary market research February 2020. SP-2022 measured 7x less wear loss when compared to the leading commercially available 1K clear, top-coat.

## Uniformly throughout Outperforming the competition

### SP-2022 Matte 1K

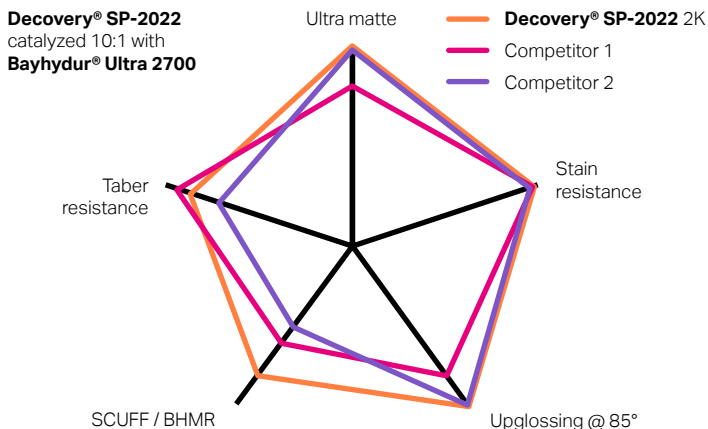

**Outperforms the competition for the highest level of flooring protection for a single component system in matte finish.**

### SP-2024 Satin 1K

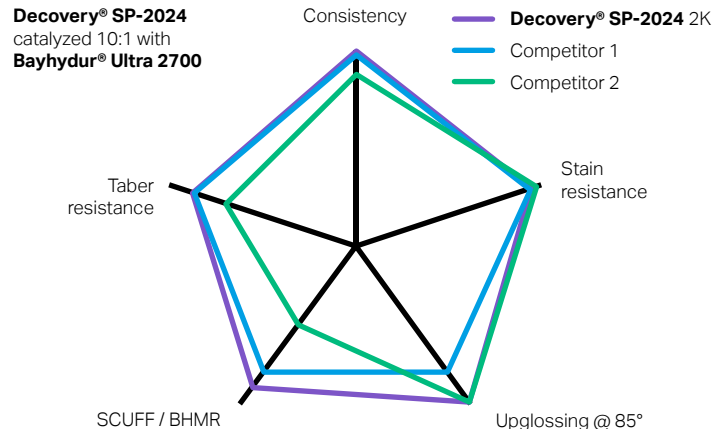

**Provides an outstanding finish that has great performance in wear and scuff resistance.**

### SP-2022 Matte 2K

**Provides a superior finish that has the maximum performance in wear, scuff and stain resistance.**

### SP-2024 Satin 2K

**Provides a superior finish that has the maximum performance in wear, scuff and stain resistance.**

**Please check the boilerplate**
